

Vasant Kunj, NEW DELHI

Civil Lines, NEW DELHI

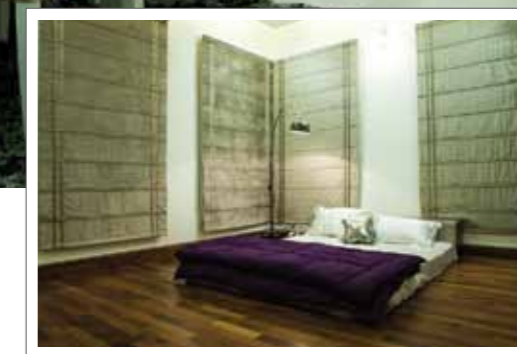

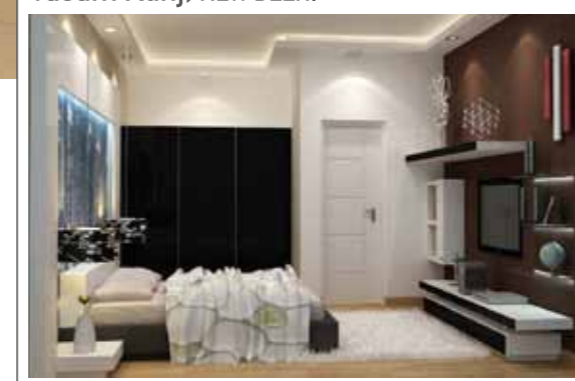

Modern with inspiration from traditional style, this interior design project posed a challenge of using all the available space to maximum and minimize the circulation inside the residence.

Roli Dixit (Apartment22) & Vipul Singh (Design Accord Consultants) have teamed up to deliver highend residential interiors and club interiors for sometime now.

Vipul Singh (M.Arch, SPA New Delhi) is in practice since 2001 as a partner of "Design Accord Consultants"(DAC). He specialises in Industrial Design and heads the interior design wing at DAC. He has extensively worked on the emerging IT sector for their office interior design solutions, marketing offices of developers & show flats, Shopping Malls & Corporate Space planning and Fitout designs.

Roli Dixit (Interior Designer) has a very rich hands on experience in interior design of 10 years and heads "Apartment 22", her own design firm in Delhi. She has been involved in designing of show flats, residential interiors and is an expert in accessorizing any space, which is being designed.

Software parks, Commercial complexes & Malls, Hotels & Clubs, Corporate Offices, Big Scale Luxury Housing (Common Areas, Marketing offices, Show Flats etc.) are some of the types of projects where Roli and Vipul have collaborated for some time and have delivered some projects, which are worth noticing.

Friends Colony East, NEW DELHI

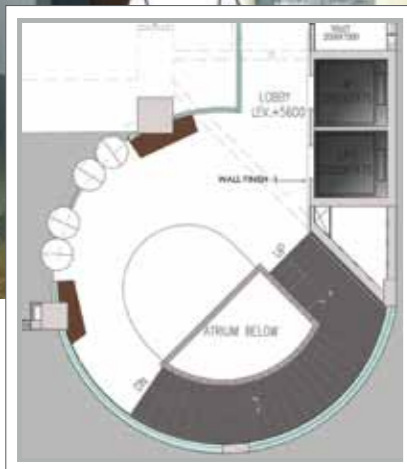

Latest trends, prominent lighting and interflowing spaces contribute to a very stylish and warm interiors.

IT Park, KOLKATA
Proposed design for an IT park in Kolkata, the inspiration is from the Ghats. Use of modern materials, latest technology in lighting and information display would be one of the most important factors in this design.

Magnolia DLF, GURGAON
Very modern styling, lighting and rich material specifications form the guides of this high end residential interior design project in a very prominent housing.

Office Building on AJC Bose Road, KOLKATA
